Do You Know Someone Who is Living Passionately and Enthusiastically for Life?

(Raleigh, NC) The Media Pro, a full-service media, marketing and communications agency is looking for people to feature in our blog: LEAPforLife- Living Passionately and Enthusiastically for Life. <http://themediapro.biz/blog/> The people we feature are passionate and enthusiastic in whatever it is they do. They are doing positive actions, making a difference in someone's life and their actions have *real, tangible* results. We approach the blog in a journalistic way, by interviewing a selected nominee and then writing an article about how that person is using their passions and enthusiasm in a positive way. We also may include a quote from the person who nominates them. Feel free to include images or links to videos that show their passion and enthusiasm. You can nominate yourself, a friend, a colleague, a neighbor, a public figure, or a private citizen. You have to show us why the person you nominate should be featured in our LEAPforLife blog.
